## March 8, 2015

My friends, our understanding of who God is and how we relate to God has not come easily over the centuries. As we hear today, the Jews were led to understand the importance of the law. Jesus came to demonstrate an even deeper truth rooted in his own self-giving, death and resurrection.

## *THIRD SUNDAY OF LENT*

I, the LORD, am your God . . . You shall not have other gods besides me. - Exodus 20:2a, 3

## THE PATH TO FREEDOM

Most of us, if we were asked "Does the phrase 'the Ten Commandments' appear in the Bible?" would likely get it wrong, because the answer is "no." "The Ten Commandments" is a post-biblical, phrase that developed along with an image of God as police officer that is not found in today's passage from Exodus. The first phrase is the key: God is the one who brings us out of slavery; following God's law or commands is our path to freedom. The moneychangers whom Jesus drove from the temple were not explicitly breaking any of the commandments, but neither were they helping people to find God's path to freedom as they came to worship at the temple. This is an important Lenten lesson for us. We need to stop asking ourselves whether or not we are breaking specific rules or regulations and instead examine our lives to see if we are truly following a path to God's freedom through Christ.

**HEAVENLY DUSTERS...** You might ask what all is involved. A list of duties is on the table at the back of church for you to look over before making a decision about volunteering to help clean the church. There are a few duties listed that would be taken care of by the parish due to heights involved.

There is a sign-up sheet for anyone interested in helping ensure our church stays clean and in order. You may also volunteer to sub or fill-in for someone...just write sub in the days available column, but be sure to include an email and/or phone number so we can contact you if we need a sub.

If you would be interested in coordinating these efforts, we are looking for one or two persons to be the coordinators of the church cleaning. Please call the parish office at 221-1078 if you would like to be a coordinator. Remember this is YOUR church home and God's house...are you willing to step-up and help out? Let us know!

### Dignity & Rights of Workers

Jesus spent years working as a carpenter. Work is important to help people live

good lives, so people must be paid a fair wage to provide for themselves and their families.

+ We are reminded that God worked and God rested, and we are asked to do the same. *Do we empower others to attain meaningful work? Do we help others to keep the Sabbath? Do we keep it ourselves?*

+ Jesus is angered by injustice and takes action.

He is unafraid to let his opinions be heard. *Do we speak out against injustice where we see it, or do we assume it's someone else's responsibility?*

+ We all experience seasons of challenge, injustice, or sorrow. *How do we display our hope that a season of justice will come, our trust that "the foolishness*

Its benefits, however, continue to make visible the Lord's mercy and love in our parishes and communities. At 94.2%, our parish is close to crossing the goal line, having raised \$28,151 of our \$29,900 goal! My sincere thank you to those parish families whose personal sacrifices have provided the momentum to make this progress possible.

I humbly ask that each family that has yet to donate prayerfully consider a gift to take our parish OVER goal. You may do so by completing the pledge card you have received at home and returning it to the Diocese or by writing a check to "CSA15" today and placing it in the offertory. Your support is much needed and will be greatly appreciated! - *Fr. Mike*

There is so much need to bring the living presence of Jesus, merciful and full of love."*
