As happened before him, Jesus was not embraced with loving arms. He met with resistance early on in his ministry. Speaking the truth and challenging the status quo is always risky. Paul says that among the spiritual gifts of faith, hope and love, love is the greatest. Jesus showed this in his ministry. If we follow him, we will encounter resistance. But faith, hope and love can sustain us.

FOURTH SUNDAY IN ORDINARY TIME

Faith, hope, and love remain, these three; but the greatest of these is love. - 1 Corinthians 13:13

CATHOLIC SCHOOLS WEEK

Thank you for choosing Holy Family School!!! This Saturday/Sunday marks the beginning of Catholic Schools Week throughout the USA. This is a celebration of parents as the first educators of their children, students who are recipients of excellence in education in our Catholic Schools and teachers who work hard to create educational opportunity for our students.

Our Holy Family parishioners deserve our sincere and abundant gratitude for their support and help. The week recognizes through many activities and events that a parent makes a significant decision when he/she chooses a Catholic School for their child, especially when there are multiple options. May God continue to bless our work building a future of hope for our world and nation.

When you look closely at what Holy Family School provides in its daily routines one can only give "thanks" for the faith formation and academic excellence that has been part of the Catholic tradition in Hannibal for 150 years! All of the teachers, students and staff wish to say "thank you" for your continued help and support. Please join us in celebrating our school by building community while eating spaghetti or coffee and donuts after our week-end Masses. The back page of the bulletin gives you information on this weeks events. **God bless,**

REDISCOVER JESUS

Lent begins on February 10, Ash Wednesday. This weekend each family in our church will be given the book *Rediscover Jesus* by Matthew Kelly. This book has 40 short chapters as a guide for our 40 day Lenten journey of faith. This is a great way to start or deepen our habit of daily prayer. In addition to the daily reading you will receive an inspirational email with a short video featuring Matthew Kelly.

You must sign up at:

www.dynamiccatholic.com/Lent

Give your name and email address then click on sign up. We encourage you to join a small faith group which will meet weekly during Lent to share on the reading/video. If you cannot join a small faith group please consider doing the faith sharing with your own family. Sign-up sheets for faith sharing groups are available at the church entrances for those not presently in a group.

Instead of giving up something for Lent why don't we all resolve to get into (or continue) the habit of daily prayer as we read and reflect on *Rediscover Jesus*. Our parish retreat on February 6 is another great way to prepare for the season of Lent. God bless you as you open your hearts to a deeper love relationship with Jesus and one another. - **Fr. Mike**

THE GREAT HYMN TO LOVE It is doubtful that Saint Paul, when he sat down to write what we now know as the thirteenth chapter of First Corinthians, knew that he was penning what was to become one of the keystones of Christian ethics. In this brief passage, he set down ideals about love that have held fast through the centuries. Sometimes we may think that because these are ideals to which we aspire, we are excused from them in our daily living. But what Paul was writing was a letter to his friends, providing them with some sound advice about what it meant--and still means--to live in love, day by day, as a follower of Christ. We find in his words to his friends a broadening of the great commands of Jesus to love God and neighbor. Today we hear what this love must look like in our own actions, and how it ought to guide our relationships with others. Copyright (c) J. S. Paluch Co.
