Today's readings focus on humility and helping those in need. These readings seem especially relevant now. How do we conduct ourselves in a culture that promotes success, power, self-aggrandizement at every level? Awareness of both self and others is essential. Jesus calls us to look beyond ourselves to others and expect no reward in return. That sounds easier than it is, which is why we're still talking about it.

*You have approached Mount Zion
and the city of the living God.*

PRO-LIFE PRAYER TO BE RECITED in anticipation of THE CANONIZATION OF BLESSED MOTHER TERESA Date of Canonization - September 4, 2016 Father of Life, You always defend the poor and oppressed. In Blessed Teresa of Calcutta, you raised up a voice for the voiceless and a friend to the poorest of the poor, the unborn child. She brought women away from the despair of abortion clinics to the hope of a loving community that cared for her and her child. She spoke the truth to men and women of power, asking them how we could tell people not to kill one another while allowing a mother to kill her own child. Father, as we honor this humble and faithful woman, We ask you to give us the grace to follow her example. May we be bold in word and generous in action to love and serve the unborn and to awaken our world to know, as Mother Teresa said, "That the greatest destroyer of love and peace is abortion." Fill us with love, bring us peace, and let us share your life forever. We pray through Christ our Lord. Amen.
