We live in a world that tends to segregate people along many lines, especially the weak from the powerful. This Christmas season and today's feast reminds us that God's revelation is for all people and that Jesus was sent for all. God's will for the human race is unity - that all may be one. This vision is yet to be achieved, and there are those still threatened by it. But today we are called to walk in the light of this truth and to ask: From whom are we still separated? What are we called to do to bridge this chasm?

*They opened their treasures
and offered him gifts
of gold, frankincense, and myrrh.*

TREASURES FROM OUR TRADITION

This year, in the United States the celebration of the Epiphany falls on January 8, but the traditional date for the Epiphany is January 6. The date we know as January 6 was established as the solstice in Egypt in 1996 BC, but the Egyptian calendar lost a full day every 128 years. Twenty centuries later the actual solstice had migrated to December 25. People still kept January 6 for the solstice celebration, but December 25, matching nicely with the Roman pagan feast of the Unconquered Sun, launched an extended solstice holiday. By the time of the early church, the whole period of twelve days was celebrated just about everywhere. Christians began to celebrate Christ as the true light of the world in four themes: the Nativity, the manifestation to the Gentiles, the baptism of the Lord, and the wedding feast at Cana. That was entirely too much for one day to handle. A twelve-day season was ready to be adapted, so Christians borrowed from the pagan calendar for their own season of light. Thus early Christian celebrations of the Christmas season extended from one date for the solstice, December 25, to the older date, January 6. The darkest time in the Northern Hemisphere could now be filled with the Christian observance of the arrival of the Light of the World. - **Rev. James Field**,

THE STAR OF BETHLEHEM The unfolding of the story of the Incarnation continues today as the Church celebrates the Epiphany. The tale of the magi from the East is one of the most fascinating in all of scripture. It has much to teach us about what we can come to expect, even in circumstances and places that may seem insignificant or small. Bethlehem was a tiny town, what we might refer to today as a town without even one stop light. Yet it is over this seemingly insignificant place that the guiding star stops in its own search for the place where the Savior would be born. Too often we fail to recognize the fact that the star of Bethlehem comes to rest in our everyday lives, where we can experience God's presence, manifested in ever new ways. Epiphany calls us to shake off our stupor and recognize the One who comes to save us. Copyright (c) J. S. Paluch Co., Inc.

PARISH OFFICE... The Parish Office will be closed Monday, January 16, 2017 in observance of Dr. Martin Luther King, Jr. Day. Please leave a message on the answering machine and we will get back with you on Tuesday. Our school is also closed for this national observance.
