Judeo-Christian history and today's readings remind us that being called to be God's people is a gift and a privilege. But it is also a responsibility that comes with expectations. Even in difficult times, we hear what is offered to us is not to be squandered. We are free, of course to respond however we choose. But if we accept our calling, it comes with a price. Being chosen, being Christian - as with all relationships - is not for the faint-hearted.

*Have no anxiety at all, but in everything, by prayer and petition, with thanksgiving, make your requests known to God.*

- Philippians 4:6
