May 1, 2016

Jesus prepared his followers for his departure by promising them the Holy Spirit. It was not an easy transition, but they knew they were they were responsible for keeping his vision alive. They discerned, accommodated, made judgements and acted on the strength of their deep faith. Just as we must continue to do.

40 Days for Life, an organization that holds prayer vigils in the spring and fall, has good news on the state of abortion in America in the last 7 years: 69 abortion clinics have closed their doors, 127 abortion clinic workers have quit their jobs, 11,165 children were saved from abortion. The "secret" to the success of 40 Days for Life, is no secret at all...It has been through prayer and fasting. Let's continue to pray and fast for life.

PILGRIMAGES FOR THE JUBILEE YEAR OF MERCY

The Diocese has appointed members of the pastoral center staff to coordinate pilgrimages for The Jubilee Year of Mercy. The pilgrimages may include prayer, adoration, Mass and receiving an indulgence through the visiting of a parish with a Holy Door. Holy Doors are at: The Cathedral of St. Joseph, Jefferson City; St. Joseph Parish, Edina; Shrine of Our Lady of Sorrows, Starkenburg; St. Peter Church, Brush Creek; St. Patrick Parish, Laurie (in honor of the National Shrine of Mary, Mother of the Church, which is an outside wall, so the door will be at St. Patrick.

The focus of the jubilee celebration is the restoring of relationships, healing and forgiveness of some sort.

Holy Family will be exploring the possibility of a Jubilee Year of Mercy pilgrimage to one of the sites listed above. If you think you might be interested in participating in this pilgrimage, please contact the parish office as we begin our list for this event.

PARISH PASTORAL COUNCIL

What is a Parish Pastoral Council? The Parish Pastoral Council is a leadership body within the parish whose role is to develop and implement a mission-focused pastoral plan for the parish.

As servants to the wider community, Parish Pastoral Councils provide parishioners with forums for consultation and reflection on the mission of the Church in light of the signs of the times in the local neighborhood and the world.

Parish Pastoral Councils develop pastoral plans, based on the insight of the community, to enable the faith community to continue to live out the mission of the Gospel.

Parish Pastoral Councils then call forth leaders from the parish to implement and achieve the goals of the pastoral plan.

What do Parish Pastoral Councils Do? Parish Pastoral Councils are charged with creating and implementing a pastoral plan in the life of the parish. Pastoral planning begins with a parish-wide dialogue on the mission of the Church, the perceptions of the community, and the current reality of the parish. This dialogue is facilitated by the Parish Pastoral Council.

When completed, the information gathered from these dialogues is taken by the PPC and the pastor and used to create a pastoral plan for the future. The pastoral plan articulates the goals and priorities of the parish community for the coming years.

The Parish Pastoral Council also calls forth individuals from the community to implement the goals of the pastoral plan. In this way, the Parish Pastoral Council members are parish leaders charged with developing other leaders.

What are the skills needed for membership?

Prayerful: Members of the council are people of prayer who see the value of private prayer for personal growth in Christ and the value of communal prayer for growth in Christ's community of faith and love. This suggests a willingness to spend time in prayer with other council members for the purpose of growing together in love and trust and thereby becoming an example of unity and cooperation to the entire parish, and especially becoming a living sign of the presence of Christ in the parish community.

Discerning: The Church means that all of God's people share the life of God through and in Christ and are guided by the Holy Spirit. It means speaking and listening to one another to discern what the Spirit is saying is necessary to meet the needs of the times and of the community. Council members are listening people.

Sense of Mission: This implies that members have

1. an awareness of shared responsibility for the work of the church;
2. recognition of differing roles and ministries within the Body of Christ
3. recognition of the need to use a variety of talents for building up the Church
4. a sense of accountability

What are the qualifications to serve on the Parish Pastoral Council?

1. A Catholic who is registered and active in the parish
2. Participation in the sacramental life of the Church
3. Age 18 or older. If including those under 18, those from between ninth grade and eighteen may be elected or appointed.

In formal documents, presentations, and homilies outlining the purpose of this Jubilee Year of Mercy, Pope Francis explains that compassion and understanding for those in difficult situations is not only our individual responsibility, but something the whole Church officially needs to manifest. Today's Acts of the Apostles reading presents a moving example of the early church doing precisely that. Prayerful openness to the Holy Spirit assures the assembly that they have not acted alone in discerning the correct resolution: "It is the decision of the Holy Spirit and of us." And they have chosen the compassionate response: "not to place on you any burden beyond these necessities" (Acts 15:28). How radically trustful--the church affirms universally valid principles while respecting uniquely local and personal situations. Exactly the grace Pope Francis prays this Jubilee Year will renew in today's Church!
