We may think that those close to Jesus knew exactly what to do when he was no longer physically with them. They didn't. They saw how he had suffered, and they were afraid. We do not always know what to do either. Experiencing misgivings about the challenges of living as 21st century disciples may be a sign that we're on the right track.

He was lifted up, and a cloud took him from their sight. - Acts 1:9

FLOOD RELIEF COLLECTION

A powerful storm system brought torrential rainfall and historic flooding to Missouri from Friday night, April 28 through Thursday, May 4, 2017. Areas of south central Missouri received from 10 to around 12 total inches of rainfall. This resulted in widespread and historic flooding. Numerous roads, bridges and buildings were destroyed. Many roads were flooded through the event including state highways and Interstate 44 and Interstate 55 in east central Missouri.

Catholic Charities of Central and Northern Missouri have been involved in initial relief efforts, including attendance at a Multi-Agency Resource Center in St. Robert on May 9th. Numerous households throughout the Diocese of Jefferson City have been impacted by these floods and will need both short and long-term assistance in their recovery efforts.

In response to these needs a second collection for the weekend of June 10-11 has been approved, to provide emergency and longer-term assistance to those affected throughout our Diocese.

If donations are made by check, please make it out to your parish with "Flood Relief" in the memo field. All funds collected will be sent to Catholic Charities of Central and Northern Missouri.

If you wish to send a contribution directly, please mark it with "Flood Relief" and send it to:

**Catholic Charities of Central and Northern Missouri
