Throughout the centuries the concept of the Trinity has been a challenge to understand. In fact, the church struggled with the idea of one God in three persons for some time in its history. We may not entirely grasp the theology, but we can understand the single, clear message revealed in the Hebrew Scriptures and the Gospels. We are deeply loved and encountered by a God who is with us and is shown to us in many ways and through many faces. As we live out this reality, we are called to share it with one another.

God so loved the world that he gave his only Son.
- John 3:16a

THE INEXPRESSIBLE MYSTERY

The God of the universe is mysterious. Science has not been able to solve the mystery of how the universe came into being or explain exactly what continues to give it creative energy and masterful design. No religion asserts that it has found words to name fully the ineffable mystery of God, for no matter what name we use, God always transcends our limited ability to understand. God is a mystery to be believed, not known. And yet, we Christians believe that our name for God best expresses that inexpressible mystery: God is the Most Holy Trinity of three persons united in a communion of love, pouring forth that creative, saving, sanctifying love into the world. Today's scriptures celebrate the mystery of the Trinity and give us clues for living that mystery in our lives. Copyright (c) J. S. Paluch Co., Inc.

What is Flag Day?

In the United States, **Flag Day** is celebrated on June 14. It commemorates the adoption of the flag of the United States, which happened on June 14, 1777, by resolution of the Second Continental Congress. The United States also celebrates the U.S. Army Birthdays on this date; Congress adopted "the American continental army" after reaching a consensus position in the Committee of the Whole on June 14, 1775. - Wikipedia, June, 2017

TREASURES FROM OUR TRADITION

It is often heard that today's observance is an "idea feast," and that it is somewhat difficult to grasp its meaning. Other great solemnities, such as Christmas and Easter, have an easily grasped core. Yet, even though the Trinity is at the heart of our faith, firmly declared in the Creed since the Council of Nicea in 325, we are used to having people shrug and say, "Well, it's a mystery."

Perhaps it is more helpful to think of this as a "relationship feast," since it unveils our deepest identity. Dorothy Day was a great social reformer, pacifist, and ardent lover of the Trinity. When people told her that she would certainly be canonized one day (the process is indeed underway), she protested dismissively by remarking that people were raising a fuss just because she was not afraid to talk about God. She loved the Trinity, and treasured the traditional icon for the feast, also known as "The Hospitality of Abraham," depicting the three angelic beings seated at a table tilted toward the viewer and laden with bread and wine. For her, the Trinity revealed the heart of the Catholic life, three C's if you will: community, communication, and communion. That was not an "idea" for her, but what it means to be created in the image of the Triune God, Father, Son, and Holy Spirit. - Rev. James Field, Copyright (c) J. S. Paluch Co.

PRAYER

They pray best who do not know that they are praying. - St. Anthony of Padua
