There have always been divisions among people, including God's people. But we have access to a unique source of unity: the Eucharist. In the act of breaking bread and drinking from the one cup, our relationship to one another is strengthened. Through this Eucharistic celebration we are continually reminded that we are truly members of one body - his body.

*Not by bread alone does one live, but by every word that comes forth from the mouth of the Lord. - Deuteronomy 8:3b*

**UNITY...** Unity is easier to talk about than to achieve. Jesus gave himself for us and continues to do so even now. **WORLD'S MOST SENTIMENTAL DAD...**The family was viewing old slides and one flashed on the screen that caught everyone's attention. My father, wearing his favorite golf shirt, was holding me at the tender age of three weeks. The look on his face told all. "There's my prize possession," my father said. Touched, I smiled at him as he continued, "I wonder whatever happened to that golf shirt?"

**TREASURES FROM OUR TRADITION**

At the heart of today's solemnity is a Eucharistic procession, held in many parishes, that calls to mind the procession of Holy Thursday, yet has a purpose different from the somber adoration in the night watch. In the late Middle Ages, a procession through the city with the Blessed Sacrament was an occasion of heartfelt joy and great emotion. In a time when people seldom approached the altar to receive Holy Communion, the procession through the streets, past homes and workplaces, was a vibrant reminder that Christ was with them as a dear companion and guide.

Every year on this day, a joyful procession winds through the streets of Rome from the Lateran cathedral. A few years ago, Pope John Paul II, deeply moved at the sight of the throng accompanying the sacred host, said that we ought to feel profoundly united with the faithful everywhere in the world at such a moment. "Before our mind's eye all the Churches of the world, from East to West, from North to South, are present." Originally this feast was on the Thursday after Trinity Sunday, but after the calendar reform of 1970, its title was expanded from "Corpus Christi" to "The Body and Blood of Christ" and in the United States it was moved to the Sunday after Trinity Sunday. Even though Easter season ended two weeks ago, this beautiful feast is aglow with Easter light. - Rev. James Field, Copyright (c) J. S. Paluch Co.
