Throughout Judeo-Christian history, people have explored how to live as God's people. Reflecting on our bottom line as committed Christians could not be more relevant in our current political and economic climate. Today's readings reiterate that faithful living means - at rock bottom - loving and caring for one another; especially the most vulnerable. The instructions could not be simpler. That we still need to hear this reminds us that simple does not mean easy.

*You shall love the Lord, your God, with all your heart, with all your soul, and with all your mind.* - Matthew 22:37
