Today's readings speak to us about living as a family and a community. They confirm that both require work, generosity, patience and openness to the unexpected. We look to the Holy Family as a model for ourselves, and we learn - with some relief - that Jesus' parents were as challenged and confounded as we often are. We can be like them because they were like us in so many ways.

*Beloved, we are God's children now; what we shall be has not yet been revealed.*  
- 1 John 3:2a

We are pleased to introduce Lauren Mulheron as Holy Family's new communications coordinator. Lauren has been a member of our church for several years, and one of her first experiences as a new member was to

attend CHRP. Holy Family's communication coordinator is a 10-hour a week position, and the role involves sharing all the good things that are happening within Holy Family. She will work closely with the office staff, Parish Council and our Stewardship Committee, as well as Sr. Betty and the school, to help us promote and share our activities that will bring our members closer to Jesus Christ, and help us welcome new parishioners and other families to our church and school community. If you would like some assistance in promoting an activity, event, or you just want to share something, please contact Lauren at [hfhcommunications@gmail.com](mailto:hfhcommunications@gmail.com).

Very soon you will be hearing about our diocesan effort in making parishes "better together!" The diocese will unveil a new logo for Holy Family. We thank Shelly Lowe for her original design that she created for our parish. Shelly is our art teacher at Holy Family School.

For the next few months, we will be focused on the web site, our Facebook pages, and setting up an Instagram account. One of Holy Family's priorities is to connect better not only with our community as a whole, but also our youth. In addition, we will continue to improve our website. Thank you for your support and let's move forward to be better together. If you have any questions, please contact Marisa Ellison at [mlbandkids@yahoo.com](mailto:mlbandkids@yahoo.com) or the parish office at [miller@myhollyfamily.com](mailto:miller@myhollyfamily.com).

“For the gift of peace within families, our community and the world: that violence shall cease and the destruction of human life from conception until natural death will be no more.”

**Christmas & Year End Giving...**

Christmas and year's end giving is a spiritual opportunity to make a return to God of his many blessings by giving extra support to your parish. Please make sure your donations reach the parish office by December 31st in order to appear on your statement.

There are many ways to give - cash, gifts of securities (stocks, bonds, mutual funds) are some of the best gifts to make. Naming Holy Family Church as a beneficiary of life insurance proceeds can be a wonderful means of making a future major gift to your parish. Please call the parish office with any questions. Know that our prayers and thoughts will be with you at Christmas and all year round. Thank you!

*"See what love the Father has given us, that we should be called the children of God; and so we are." 1 John 3:1*

During this season of giving, let us remember the most important gift we have received - being children of God. As God's children, it's important that we express our love for others as well. Tell your spouse, children and other family members and friends that you love them, frequently.

**Adoration Reflection...** My time in adoration is the best part of my week. Sometimes I read the word and other religious articles. I pray quietly and other times I pray out loud. I feel much closer to Him when I can pray like you are talking to a friend. I know he is my closest friend and so much more to me. Other times I listen to old gospel songs and sing along. I guess He is getting a personal concert from me. I always feel His presence during those times. All I can say is adoration is so special to me and I will never stop as long as it is available. So I encourage anyone at Holy Family to start Adoration. I think it would be the best "yes" you have ever said. - **Marla Ryan**
